A Matamoros paper of recent date contains an account of from Hidalgo. alleged ill treatment of one Dionicio Perez, a citizen of the Heroic City, by the authorities of Brownsville, while said citizen was in confinement here for disturbing the peace. The said Perez complains that he was subjected to brutal treatment and holds Justice Geo. W. Miller responsible for it, stigmatizing Mr. Miller as a "brute." The facts of the case, as nearly as THE HERALD can learn are as Dionicio Perez has been ar-

Eureka Chemical and M'f'g Co., La Crosse, Wis : Dear Sirs—I have been a tobacco flend for many years, and during the past two years have smoked fifteen to twenty cigars regularily every day. My whole pervous system became affected until my physician told me I must give up the use of tobacco for the time being, at least. I tried the so-called "Keetey Cure. No-To-Bac," and various other remedies, but without success, until I a cidentally learned of your "Baco-Curo." Three weeks ago to-cay I commenced using your preparation, and to-day I consider myself comple ely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates has completely left me. I consider your "Baco-Curo" simply wonderful and can fully recommend it.
